

Director's Message

"On the Canvas of Global Flowers, Let's draw **a golden tomorrow of your child'**

For all the children, the first few years of life are crucial as every child's needs are met in a nurturing, fun and engaging environment. At Global Flowers we create an environment where every child can learn without fear or pressure and at the same time produce results.

(The individual attention and need based mentoring makes Global Flowers a different school.)

Shagun Khattar
Director
